

## Parent Engagement for Active Child Enrichment (PEACE)

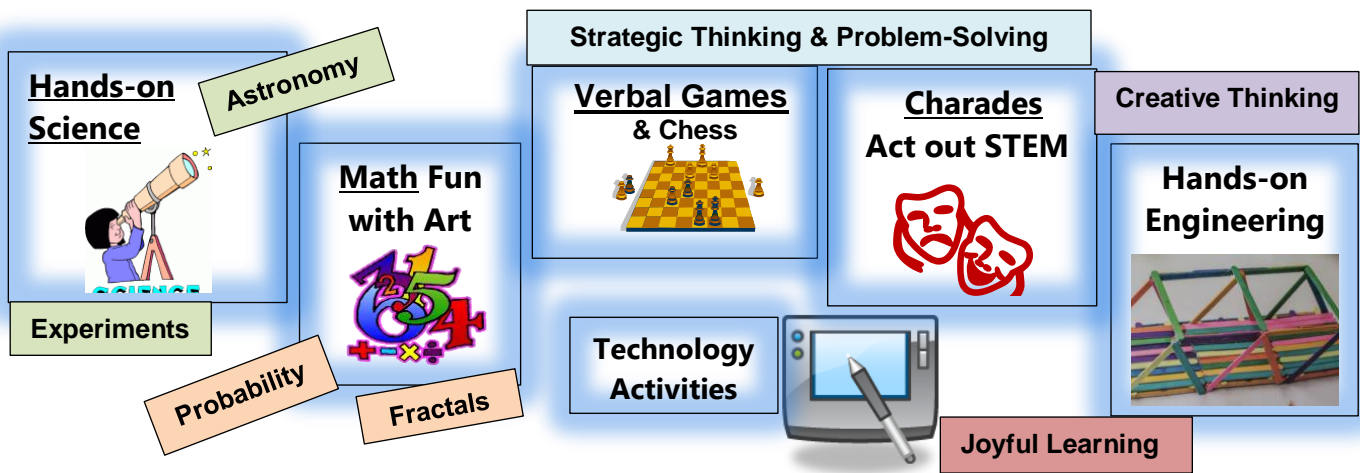

PEACE is a 501 (c) (3) nonprofit organization dedicated to empowering families to actively engage with their children to prepare them for learning and school success.

### In Collaboration with Chinese Community Center (Houston)

Presents a Summer Enrichment Event for Children (5 to 12 years)

### Science, Technology, Engineering, Art and Mathematics (STEAM)

Focus: Children will gain STEAM knowledge for School Success while having lots of fun performing experiments, solving problems, thinking creatively and playing games.

And More!

At the STEAM Enrichment Event, children —split into two groups based on their age— will be engaging in a variety of STEAM-focused educational hands-on age-appropriate activities.

**When:** Wednesday and Thursday, August 7 & 8, 2019 from 1:30- 4:30 PM

**Where:** Chinese Community Center  
9800 Town Park Dr, Houston, TX 77036
